

Complete Program Medication List

Patient Assistance Program

Xubex® offers assistance to qualified individuals for generic medications through its innovative program. A licensed pharmacist in the United States fills all prescriptions with the same medications available from your local pharmacy. There is no cost to join and no monthly fees. All medications are shipped discreetly to your home, office or trusted family member. Our focus on providing exceptional service to our clients has been the hallmark of our business. The focus is to provide families and qualified individuals of all ages with access to prescription medications. Our service ensures low-cost, predictable pharmaceutical services.

Co-pay Assistance Program

Xubex offer co-pay assistance program to eligible individuals. Our program covers all or part of the co-pay you may be responsible for. Our program can save you hundreds of dollars each month. Programs we offer are sponsored by major pharmaceutical manufacturer. The requirement is straight forward and simple to understand. To be eligible, you must have coverage under individual or employer sponsored prescription drug coverage and you must not have coverage under Medicaid, Medicare or similar state or federal program. Massachusetts residents are not eligible
